### A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SONOMA COUNTY FIRE DISTRICT, COUNTY OF SONOMA, STATE OF CALIFORNIA, ADOPTING A FUND BALANCE POLICY AND INITIAL FUND DESIGNATIONS

WHEREAS, the Sonoma County Fire District ("District"), is an independent fire protection district organizing and operating pursuant to the California Fire Protection District Law of 1987 (California Health and Safety Code section 13800 et seq.); and

WHEREAS, pursuant Chapter 7 "Finance" of California Fire Protection District Law of 1987 (California Health and Safety Code section 13890 et seq.), the District Board of Directors has the authority to determine, appropriate, authorize, and allocate fund balances and reserves; and

WHEREAS, the District Board of Directors has determined that it is in the best interest of the District, its communities, and the long-term sustainability of fire and emergency medical services across the spectrum of District operations, to establish and adopt a District fund balance policy and initial fund designation; and

WHEREAS, the Finance Committee of the District Board of Directors has reviewed and recommends approval of the proposed District fund balance policy and initial fund designations attached hereto as Exhibit "A".

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Directors of the Sonoma County Fire District hereby approves and adopts the District fund balance policy and initial fund designations attached hereto as Exhibit "A

### **Sonoma County Fire District**

### **Fund Balance Policy**

### **PURPOSE**

- 1. Implement the District's policy for establishing and maintaining adequate fund balances across the spectrum of District operations.
- Identify District operations and functions for which fund balances should be established and
  maintained, considering risks to the operation from unexpected events and the availability of
  other resources to address such events, and the volatility of expenditures and revenues of the
  operation.
- 3. Establish a procedure for reviewing fund balances and for making any necessary changes to the fund balances. Funding the Fund Balance accounts should be an integral part of the development of the final budget for the upcoming fiscal year.
- 4. Establish anticipated expenses, target reserve levels and the methodology for calculating reserve levels. Anticipated expenses and target reserve funding levels shall be established at the Finance Committee each calendar year, prior to the adoption of the Final Budget.

### **DEFINITIONS**

- Assigned fund balance A fund balance that is earmarked for an intended use. The intent is
   established by the Board of Directors. (Fund balances designated by the Board for Equipment,
   Apparatus, and/or Facility Replacements would be Assigned fund balances)
- Committed fund balance— A fund balance incorporating limitations in its use as determined and defined by the Board of Directors; to be reported as committed, amounts cannot be used for any other purpose unless the Board of Directors takes action to remove or change the commitment. (An Emergency Fund would be a committed fund balance)
- Restricted fund balance— A fund that has externally enforceable limitations on the use of the fund balance such as creditors, grantors, or laws regulating the use of the funds. (Mitigation fund balances would be restricted fund balances.)
- Unassigned fund balance—amounts that are available for any purpose; these amounts are reported only in the general fund.
